

REMARKS

IN THE CLAIMS

The claims have been amended to correct certain terminology. In particular, for example, expressions such as "star", "stars" and "swashplate" have been changed to read -- "disk" and "disks". Entry of the amended claims is respectfully requested.

SUBSTITUTE SPECIFICATION

A substitute specification is being submitted herewith which includes corrections of the terminology consistent with the corrections of the terminology incorporated into the claims and with the claims as filed. The substitute specification includes an amended abstract which is also intended to correct certain terminology.

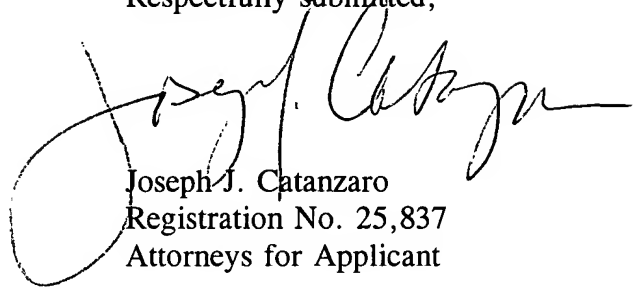

There is also submitted herewith a marked-up version of the specification to show the changes made in the substitute specification submitted herewith. Words deleted are indicated by strikethrough or brackets and words added are underscored.

CERTIFICATION

It is hereby certified that the substitute specification and the abstract submitted herewith is intended to clarify the disclosure and the terminology utilized therein and does not contain new matter, but only clarifies what has already been disclosed.

Early examination of this application is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Joseph J. Catanzaro". The signature is fluid and cursive, with a large loop at the beginning and a long horizontal stroke at the end.
